ART-WRITING KIM JAE-HEE

Not long after our departure, a search-
light fell in, shining from the horizon.

Although the fog helped us avoid detection...

It was a double-edged sword, as we had no way to keep watch ourselves.

Jesus... We
need to get
out of here, and
fast. Alright sir,
follow me.

Take this dry suit and get changed in that compartment over there.

I'll introduce the team while you're changing.

Our team is composed of hand-picked veterans from the 9th Special Warfare Brigade, selected specifically for Operation Torch.

Our mission is to safely escort your team to the Incheon Naval Command Center.

This ship is a 65-ton Chinese fishing vessel modified to carry out infiltration missions.

1/41 "Jossan-joks, Korean born for selling Koreans living in China"

The Captain is a real piece of work. His name is Park Sang-Ho. He was smuggling small arms and selling them to illegal immigrant Jossan-joks before he got arrested. He would be rotting in prison if it wasn't for his connections in China. Now he works for us.

He said something about moving to Canada with the money he's earned over the years. Anyway, he's arrogant as hell and talks like a sailor. He even claims that the North Koreans can't touch him because he's Chinese.

Remember,
if you guys fuck
around, you'll get
us all killed

Ha... he's
a charmer,
isn't he?

Anyway
moving on. Once
you get changed, I'll
lead you to the
secret compart-
ment.

There are
DPVs (Diver pro-
pulsion vehicles) and
IBs (Inflatable Boats)
in the compart-
ment.

...and a gate located at the bottom of the ship that can be opened in a worst-case scenario.

If that ever happens, you can use the OPVs to safely sneak out of the ship.

You can leave everything else to us. We'll try to buy as much time as possible for you to escape.

The thing is, the emergency gate can only be opened from the ship's bridge. So- ...What was that?

098 The bridge is the ship's control center

God
Fucking
damn it.

SHIT!

Unless
you've got
a death wish,
shut up and let
me do the
talking.

HEY
CHINESE FISHING
VESSEL. WE WANT TO
ASK YOU A FEW
QUESTIONS.

WE'RE
LOOKING FOR SOME
PEOPLE.

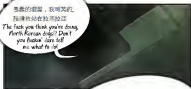

OUR
GOVERNMENT
WILL REWARD
YOU GREATLY FOR
YOUR COOPER-
ATION

2 double-
barreled 25mm
cannons, and at least
5 infantry on deck. A direct
engagement gets us
all killed. What
do we do?

愚蠢的混蛋，我喝英的
陸軍站在拉馬拉亞
*The fuck you think you're doing,
North Korean dog? Don't
you fuckin' dare tell
me what to do!*

即使在最冷的時間上的河系，腳趾之間
我只是向前是前進 看到自己...

*You set that filthy foot on my vessel and I'll
report it directly to my government.
Go on, take your chances.*

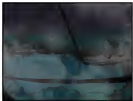

...Turn
the ship
around.

Phew...
that guy's got
balls. Let's get
these guys into
the compart-
ment.

In here,
sir, go on in.

Maranbong,
Maranbong, this is
Herwest, come in.

....Roger
that.

I hope
its smooth
sailing from
here...

Me too.
I really fucking
hope so.

SEFOONFF...!!

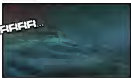

AHOY
FISHING BOAT! WE
KNOW WHAT YOU'RE
UP TO. DON'T TRY
ANYTHING FUNNY AND
JUST HAND OVER
WHAT WE WANT. WE'LL
LET THE CAPTAIN
LIVE IF HE CO-
OPERATES!

KEEEHHAH...

Open
the god-
damn gates,
you selfish
fuck!!

I'm going to
be killed whether I
hand these guys over or not.
Looks like my life ends
here, goddamn it!

SLAM!

BANG!

CLICK!

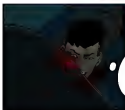

CLARK!

SHIT
CAPTAIN
HART

AGH!

Did he save my life just to repay me for saving him earlier?

FUHA-IT

The fog was gone when I reached the surface.

...but it looked like I wasn't going to survive this ordeal.

As I wondered what was going to happen next,

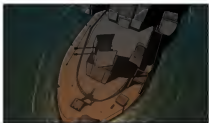

The sun started to rise on the horizon.

Haha,
Fucking hell...
Could this be
my last sun-
rise?

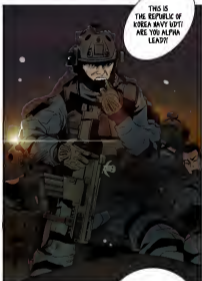

Schwoosh---!

Hm?

Through my fatigued eyes, I glimpsed some
kind of white pole falling from the sky...

Well, at least I'm awake.

What took
you so goddamn
long? I can't move
so get me out
of here!

We're
still in North
Korean waters,
sir! Please
get in!
